Welcome

A discreet, professional setting for advanced facial, skin and body treatments, with every treatment individually tailored to your needs. Please read before booking your treatment.

The clinic offers a personalised approach to aesthetics, skin health and wellbeing, with a focus on natural-looking results, thoughtful treatment planning and professional care throughout your journey.

Whether you are looking to soften visible signs of ageing, improve skin quality, enhance facial balance or simply maintain healthy, radiant skin, your treatment plan will be designed around you.

Consultations & Suitability

Advanced aesthetic and corrective treatments are subject to individual assessment and suitability. A consultation may be required before treatment to discuss your concerns, expectations and the most appropriate options.

Not sure where to begin? A consultation is the ideal place to start.

CONSULTATIONS

Aesthetics Consultation & Personalised Treatment Plan	£35
Dermal Filler Correction Assessment	£35
Lines & Wrinkles Review	Free

A £35 consultation fee is payable at booking and can be redeemed against any aesthetic treatment booked during your consultation.

NATURAL RESULTS
Refined · balanced · considered

With a particular focus on facial rejuvenation, skin quality, advanced skin treatments and body aesthetics, every recommendation is carefully considered around facial balance, skin condition, lifestyle and individual treatment goals.

The clinic offers a calm, private and professional environment where clients can discuss their concerns without pressure. Honest advice is always prioritised, including when the most appropriate recommendation is to delay, adapt or avoid treatment.

Important Information

Please read before booking your treatment.

Consultations & Suitability

Advanced aesthetic and corrective treatments are subject to individual assessment and suitability.

Medical Information

Please provide accurate information about your health, medications, allergies and previous treatments.

Prescription Treatments

Prescription-only treatments require an appropriate clinical assessment before treatment.

Patch Testing

Some treatments require a patch test in advance. You will be advised when booking.

Courses, Downtime & Aftercare

Some treatments are best performed as a course. Expected downtime, recovery and aftercare will be discussed before treatment.

Results

Results and longevity vary between clients and cannot be guaranteed.

Booking, Prices & Cancellations

Appointments can be booked online or directly with the clinic. Prices may change. Deposits may apply, and less than 24 hours' notice may result in a charge.

What Clients Say

Kind words from clients of The Beauty Clinic, Ellenhall.

Highly recommend The Beauty Clinic. Lyndsey's knowledge and expertise is fabulous. So happy after lots of research that I gave Lyndsey a visit and so delighted with the results of my treatment. Charlotte, Google Review

What a brilliant little find! Lyndsey was fantastic from start to finish. She was so friendly and easy to talk to, which instantly put me at ease. The whole experience felt professional yet relaxed. Tina, Google Review

I had a fantastic HIFU treatment by Lyndsey. I could see immediate results, particularly noticeable on my neck and jawline. My skin looked refreshed and had gained a natural glow. Lyndsey is very professional, knowledgeable and above all honest. Linda, Fresha Review

Another amazing visit with Lyndsey at The Beauty Clinic. She always goes above and beyond and really knows her stuff. Whatever treatment you have, it will always be done professionally. Anne, Fresha Review

Thank you for supporting a local independent clinic
